DOCKETING DEPARTMENT
NOTICE OF FILING AND HEARING
DOCKET NO. 2007-229-E**

**SOUTH CAROLINA ELECTRIC & GAS COMPANY - Application
for adjustments and increases in the Company's electric rate
schedules and tariffs**

On June 15, 2007, South Carolina Electric & Gas Company ("SCE&G" or "Company") filed an Application with the Public Service Commission of South Carolina ("Commission") requesting authority to adjust and increase its retail electric rates and charges, and to make changes to its tariffs. The Application was filed pursuant to S.C. Code Ann. Sections 58-27-820 and 58-27-870 (1976, as amended) and 26 S.C. Code Ann. Regs. 103-823, previously codified as 26 S.C. Code Ann. Regs. 103-834 and recently amended, renumbered, and published in the State Register Volume 31, Issue 4, effective April 27, 2007, of the Commission's Rules of Practice and Procedure.

SCE&G states in the Application that it has continued to make significant investments in its infrastructure to meet growth in its service territory, to maintain and improve the reliability of its system, and to meet increasingly stringent environmental controls on air emissions. The Application reveals that SCE&G has experienced significantly increased costs in continuing to provide safe and reliable service to its customers. The Application further states that, despite the Company's efficient operations and constant efforts to lower and control costs, the current rates and charges are not sufficient to allow the Company a reasonable opportunity to earn an adequate rate of return on its investment.

SCE&G requests that the proposed increases be effective January 1, 2008. The proposed rates and charges represent an increase in revenues of approximately 6.75%; the proposed average increase to the residential class is 7.49%; small general service class is 5.83%; medium general service class is 6.87%; large general service class is 5.96%; and the lighting class is 8.17%.

A copy of the Company's complete Application, as well as the proposed rates, charges and tariffs may be obtained from the Commission at the following address: Public Service Commission of South Carolina, Docketing Department, 101 Executive Center Drive, Columbia, South Carolina 29210.
